

Internship Certificate

This is to certify that Mr. AMAR PRAKASH PANDEY has worked with us at White Panda from the 10th of June to the 10th of August as a *Full-stack Website Development Intern*.

He was a valuable member of the team and showed an urge to learn and participate actively. His primary responsibilities as a full-stack developer included the development and deployment of several modules for White Panda's website. His performance throughout the duration of this Internship has been nothing short of exemplary. I have no hesitation in recommending him for any position in the future.
